

# BUY MY DRESS

2017

## WHAT'S IT ALL ABOUT?

**Buy My Dress** is Ireland's largest one day charity dress sale of new and "lightly-used" high street, evening, day wear and designer dresses which are donated by Irish women and celebrities of all shapes and sizes in aid of **The Down Syndrome Centre**. Over 20,000 dresses are donated every year, so there is something for everyone.

## HOW YOU CAN HELP?

We are looking for you, your friends, colleagues and family to donate a dress or two, that is either too big, too small or bought on impulse and is sitting in your wardrobe looking for a new home. We are also reaching out to boutiques and businesses to support **Buy My Dress**.

## WHERE ARE FUNDS GOING?

**The Down Syndrome Centre** provides early intervention services to children with Down syndrome to enable them to reach their full potential. Services include Occupational Therapy, Speech & Language Therapy, Physiotherapy, Social Skills Courses, Baby Massage, Parent & Baby Classes, SKIP, an early intervention programme that prepares our service users for mainstream school. DSC also provides a wide range of supports for families such as regular seminars, an online advisory panel and support for new parents. The funds raised from **Buy My Dress** will help us continue to provide these vital services.

## WHEN & WHERE IS THE SALE?

This year for the first time, as well as hosting 4 main events around the country in Dublin, Cork, Galway & Laois, we are asking ladies to host their own **Buy My Dress** event in their homes, workplaces and clubs they attend. **Buy My Dress** takes place during the month of September.
